

Mali Lošinj, Hotel Aurora
9–11th May 2019

11th Congress of Croatian Society of Otorhinolaryngology & Head and Neck Surgery

Second Announcement

Dear colleagues, dear friends

11th Congress of Croatian Society of Otorhinolaryngology and Head & Neck Surgery will be organized in order to promote exceptional accomplishments of modern medicine and preserving tradition of Croatian Otorhinolaryngology and Head & Neck Surgery.

Croatian Society of Otorhinolaryngology and Head & Neck Surgery is honored to invite you all to attend the National Congress of Croatian Otorhinolayngologists and Head & Neck Surgeons in Mali Lošinj.

This year's Congress will host interesting topics from all fields of Otorhinolaryngology and Head & Neck Surgery highlighting the latest scientific knowledge to improve our daily practice in diagnostics and treatment of our patients.

Scientific program of the Congress will include plenary lectures, keynote lectures, workshops and symposia and we kindly invite you to submit your oral and poster presentations related to all field of Otorhinolaryngology and Head & Neck Surgery.

We hope, besides scientific and professional program, you will spent a great time with your dear colleagues in Mali Lošinj. Welcome to Mali Lošinj! We are looking forward to seeing you soon.

Mario Bilić

President of Croatian Society of Otorhinolaryngology
and Head & Neck Surgery
